## **5 SPRINGS AQUA PARK**

---

We invite you to join the water world of fabulous bright emotions and unforgettable experience in our 5 Springs Aqua Park. The water park will be the largest and the most modern project on the Red Sea coast of Hurghada.

The total area is 26,015 square meters and the total capacity is about 3000 visitors. This is a huge fantastic park of water attractions, located next to the wonderful sandy beach.

Numerous attractions are designed especially for the adventures as well for the lovers of quiet relaxing area for adults with its pool, sun-beds and umbrellas, a lazy-river running along the perimeter of the Aqua Park, as well as bars and the restaurants of fast food - all those facilities create the finalized concept of the special complex of water entertainments, where everyone can find a unique way to enjoy according to own taste.
